## Guidelines for Sponsor Services

### **LOSS & FUTURE**

Sherwood & Myrtie Foster's Home for Children is excited about your family's interest in providing a sponsor home for children living on our campus. We are always looking for dedicated Christian families who will share their homes and love with a child. Sponsors can sometimes develop unique and beneficial relationships with children who do not have family involvement of their own. Many of our children develop very special relationships with these "sponsor families" that last many years.

### **SAFETY**

Foster's Home for Children is licensed as a childcare facility by the State of Texas. As a part of this license, we are required to ensure, at all times, that certain standards be met regarding the program we provide for our children. Because of this, we want to make prospective sponsor families aware of certain policies that we must follow when we allow children to visit sponsor families. Please review this carefully and make every effort to see that these policies are complied with. Your cooperation with these will ensure the safety of our children and protect you from any responsibility for negligence.

1. All firearms, explosive materials, and projectiles such as darts, arrows, and BB's should be out of access of all youth under the age of 18. These items may be used by youth only when supervised by an adult.
2. All medications should be stored out of the reach of the youth. Prescriptions should be stored safely in a locked container. Dispensing medication should be carefully supervised by the sponsoring adult and recorded on provided forms.
3. Youth should not be allowed to make overnight plans away from the sponsor family. Decisions regarding activities such as dating or outings must be discussed with the youth's caregivers or case manager. They can best share information with you regarding the appropriateness of the youth being given these freedoms.
4. No youth over the age of 6 should share a bedroom with a person of the opposite sex.
5. Emergencies or serious incidents should be reported immediately to the youth's case manager, caregivers, or an administrator. The emergency number for Foster's Home for Children is 254-459-9664; then use 911.
6. When a youth is placed with you, a medical release form will be provided for permission to receive medical services for illnesses or emergencies. This should be kept available at all times.
7. No youth's picture may be used in any news media without permission in writing from the Vice President of Children's Services or the youth's case manager.
8. Under no circumstances will alcohol, drugs, tobacco, or pornography be accessible to the youth.
9. It is a volunteer/sponsor's legal responsibility to report abuse or neglect to the President/CEO of the Vice President of Children's Services.
10. All volunteers/sponsors understand that youth visits are based upon privileges. If youth are without privileges, they will not go on sponsor visits. This may happen the day of the visit.

**Guidelines for Sponsor Services continued...**

11. All sponsors must call by 12:00 PM on Wednesday for weekend visits. Sponsors must call two days in advance for summer visits during the week.
12. All sponsors must maintain confidentiality of youth's situations.
